The School Board requires, as a condition of employment, that any applicant who is offered or accepts employment requiring direct contact with students, whether full-time or part-time, permanent or temporary, provide written consent and the necessary personal information for the School Board to obtain a search of the registry of founded complaints of child abuse and neglect. The registry is maintained by the Department of Social Services. The School Board shall ensure that all such searches are requested in conformance with the regulations of the Board of Social Services. In addition, where the applicant has resided in another state within the last five years, the School Board requires as a condition of employment that such applicant provide written consent and

the necessary personal information for the School Board to obtain information from each relevant state as to whether the applicant was the subject of a founded complaint of child abuse and neglect in such state. The School Board shall take responsible steps to determine whether the applicant was the subject of a founded complaint of child abuse and neglect in the relevant state. The Department of Social Services shall maintain a database of central child abuse and neglect registries in other states that provide access to out-of-state school boards for use by local school boards. The applicant may be required to pay the cost of any search conducted pursuant to this subsection at the discretion of the School Board. From such funds as may be available for this purpose, however, the School Board may pay for the search.

If the information obtained pursuant to the preceding paragraph indicates that the applicant is the subject of a founded case of child abuse and neglect, such applicant shall be denied employment, or the employment shall be rescinded.

If an applicant is denied employment because of information appearing on his record in the registry, the School Board shall provide a copy of the information obtained from the registry to the applicant. The information provided to the School Board by the Department of Social Services shall be confidential and shall not be disseminated by the School Board.

The complaint must be filed with one of the compliance officers designated in this regulation (page 4). Any complaint that involves the compliance officer shall be reported to the Superintendent.

3. The complaint and the identity of the complainant and the person or persons allegedly responsible for the discrimination will be disclosed only to the extent necessary to fully investigate the complaint and only when such disclosure is required or permitted by law. 7. The school division shall take necessary steps to protect the complainant and others pending the investigation.

8. Determining if a particular action or incident constitutes a violation of Policy GB or these regulations may require a case by case determination based on all of the facts and circumstances revealed after a complete and thorough investigation.
9. The compliance officer shall issue a written report to the Superintendent upon completion of the investigation.
10. If the complaint alleges the Superintendent has violated this policy, then the report shall be sent to the School Board.

2. The School Board shall make a decision within 30 calendar days of receiving the record.

COBRA Continuation Coverage

On April 7, 1986, a Federal law was enacted (Public Law 99-272, Title X) called the Consolidated Omnibus Budget Reconciliation Act of 1985 (COBRA), requiring that most employers sponsoring group health plans offer employees and their families the opportunity for a temporary extension of health coverage (called continuation coverage) at group rate plus two percent in certain instances where coverage under the plan would otherwise end (called a qualifying event). The following information should be read by the employee and any other family members that may be covered under the employee's plan.

If you are an employee of Charlottesville City Schools (hereafter, "Company") and are covered by the Plan, you have a right to choose continuation coverage if you lose your group health coverage because of a reduction in your hours of employment with the Company or the termination of your employment (for reasons other than gross misconduct on your part).

If you are the spouse of an employee covered by the Plan, you have the right to choose continuation coverage for yourself if you lose group health coverage under the Plan for any of the following reasons: (1) the death of your spouse; (2) a termination of your spouse's employment with the company or reduction in your spouse's hours of employment with the Company; (3) divorce or legal separation from your spouse; or (4) your spouse becomes entitled to Medicare.

Dependent children of an employee covered under the Plan have the right to choose continuation coverage if group health coverage under the Plan is lost for any of the following reasons: (1) the death of a parent; (2) the termination of a parent's employment with the Company or reduction in a parent's hours of employment with the Company; (3) parents' divorce or legal separation; (4) a parent becomes entitled to Medicare; or (5) the dependent ceases to be a dependent child under the terms of the Plan.

In addition, there is a right to continuation coverage for any employee who retired on or before the date of a substantial elimination of coverage (hereafter, "Retiree") and any spouse or surviving spouse of such Retiree who was covered under the Plan on the day before a Title 11 bankruptcy proceeding is commenced with

regard to the Company, provided there is a loss of group health coverage as a result of the proceeding or

there is a substantial elimination of coverage within one year before or after commencement of such proceeding.

Under the law, the employee or family member has the responsibility to inform the Plan Administrator of a divorce, legal separation, or child losing dependent status under the Plan, within 60 days of the date of the event or the date on which coverage would end under the Plan because of the event, whichever is later. The Company has the responsibility to notify the Plan Administrator of the employee's death, termination of employment, reduction in hours of employment, or Medicare entitlement. When the Plan Administrator is notified that one of these events has happened, you will, in turn, be notified that you have the right to choose continuation coverage. Under the law, you have 60 days from the later of (1) the date you ordinarily would have lost coverage because of one of the events described above or (2) the date of the notice of your right to elect continuation coverage to inform the Plan Administrator that you want continuation coverage.

If you do not choose continuation coverage, your group health insurance coverage under the Plan will end. If you choose continuation coverage, you are entitled to be provided with coverage that is identical to the coverage being provided under the Plan to similarly situated employees (or their family members). The law requires that you be afforded the opportunity to maintain continuation coverage for 18 months. Coverage may be available for 29 months if you have been determined to be disabled (within the 18-month continuation coverage period). In the case of a Retiree or an individual who was a covered surviving spouse of a Retiree on the day before the Title 11 filing, coverage may continue until death, and in the case of the spouse or dependent child of a Retiree, 36 months after the date of death of the Retiree.

Additional qualifying events can occur while the continuation coverage is in effect. Such events may extend an 18-month continuation coverage period to 36 months, but in no event will coverage extend beyond 36 months after the initial qualifying event. You should notify the Plan Administrator if a second qualifying event occurs during your continuation coverage period. Second qualifying events pertain to only the dependent (spouse and/or child(ren)). Employees cannot have more than 29 months of coverage under federal COBRA.

However, the law also provides that your continuation coverage may be cut short prior to the expiration of the 18-, 29-, or 36-month period for any of the following reasons: (1) the Company no longer provides group health coverage to any of its employees; (2) the premium for your continuation coverage is not timely paid (within the applicable grace period); (3) the individual becomes covered under another group health plan (as an employee or otherwise) that does not contain an exclusion or limitation with respect to any preexisting condition of such individual; (4) the individual becomes entitled to Medicare; or (5) coverage has been extended for up to 29 months due to disability and there has been a final determination that the individual is no longer disabled.

You do not have to show that you are insurable to choose continuation coverage. However, continuation coverage under the law is provided subject to your eligibility for coverage under the Plan. The Company reserves the right to terminate your continuation coverage retroactively if you are determined to be ineligible.

Under the law, you may have to pay all or part of the premium for your continuation coverage. The law also says that, at the end of the 18-, 29-, or 36-month continuation coverage period, you must be allowed to enroll in an individual conversion health plan that is approved under the Plan. Under the present arrangement, individual conversion coverage is provided by Aetna Health. Once your continuation coverage terminates for any reason, it cannot be reinstated.

This is a summary of the law and, therefore, is general in nature. The law itself and the actual Plan provisions must be consulted with regard to the application of these provisions in any particular circumstance. If you have any questions about the law, please contact the Plan Administrator. Also, if you have changed marital status, or if either you or your spouse has changed addresses, please notify the Plan Administrator immediately.

Military Call-Up 24 Months COBRA

If an employee, that is also a military reservist, is called to active duty and loses group health insurance as a result of the reduction in hours, the reservist is a qualified beneficiary and is eligible to continue coverage through the COBRA system. In addition, any covered family members who lose insurance as a result of the reduction of hours are also qualified beneficiaries and are eligible to continue group health insurance through COBRA, as well.

DEFERRED COMPENSATION PLAN – 457 (b)

The Commonwealth of Virginia 457 Deferred Compensation Plan (457 Plan) is a tax-deferred retirement savings plan established under Internal Revenue Code Section 457(b) and Chapter Six of Title 51.1 of the Code of Virginia. The Plan enables employees of the Commonwealth and other public employers in Virginia who adopt the Plan to contribute up to the annual limit, or 100% of includible compensation, whichever is less. Includible compensation is all compensation except that used to purchase VRS defined benefit plan service on a tax deferred basis. The annual limit for calendar year 2016-2017 is \$18,000. If you are age 50 or older, you may contribute an additional \$6,000 for a total of \$24,000. If you are nearing retirement, you also may be eligible for the Standard Catch-Up, which might allow you to contribute up to \$36,000 in 2016. The amount contributed accumulates tax-deferred until the Plan amounts are distributed, generally after retirement.

This plan is available through the Virginia Retirement System (VRS) for all employees of Charlottesville City Schools (CCS). For those enrolled, there are a number of investment options ranging from low to high risk. For further information on the plan, go to the VRS website (<http://www.varetirement.org/dcp/plan-info/contributions.html>), click on the drop down tab labeled Defined Contribution Plans, and then select the Commonwealth of Virginia Deferred Compensation Plan. Or, you may contact Renee Hoover in Payroll at [434.245.2952](tel:434.245.2952).

FLEXIBLE SPENDING ACCOUNTS FOR UNREIMBURSED MEDICAL & DEPENDENT DAYCARE

The School Division allows employees to set aside up to \$2,550 for Medical Expenses and \$5,000 for Childcare expenses incurred during the Benefit Plan Year of July 1, 2016 to June 30, 2017. Employees have an additional 75 days beyond the June 30th cutoff to use their FSA benefits for medical expenses incurred during the 75 day grace period. You may elect to participate in this plan during the annual open enrollment period or when newly hired.

Participation in one or both of these accounts can save you money by reducing your taxable income. This is because the funds will be deducted from your salary and then you are taxed on the lower adjusted income. There are certain rules that apply to these plans due to the rules that are set by the IRS. These rules can be found on the VBAS site under the forms library in the Wage works brochure.

For the Medical Account you are issued a Credit Card that gives you an annual election. You may use the credit card the same as you would use cash at a pharmacy, dentist office, doctor office, emergency room or to purchase eligible medical expenses.

To learn more about these programs please contact Michelle Lawson at 434.760.2257 or email her at mlawson@bostbenefits.com. Ms. Lawson's office is located at 923 East Market Street, Suite B, Charlottesville, VA 22902.

As of January 1, 2011 over the counter medications are no longer eligible for reimbursement.

INFLUENZA AND HEPATITIS-B INOCULATIONS

Influenza Inoculations

The Influenza and Hepatitis-B inoculations are offered through the Charlottesville City Schools and administered by UVA Work Med for employees eligible for benefits.

The flu inoculations are offered at no cost to all employees who receive benefits and any members of their immediate families (living in the same household) 18 years old or older. All recipients will be asked to read and sign an information sheet and HIPPA right to privacy statement as well as asked to complete a waiver. Expectant mothers wanting the inoculation are required to have written permission from their physicians. All children under 18 are **ineligible** for the flu vaccine through the Charlottesville City Schools. Children under 18 should be taken to their personal physician or the health department.

Hepatitis-B Vaccination Series

The hepatitis-b vaccination series is provided free to all employees of the Charlottesville City Schools who are eligible for benefits. If employees are interested in taking the series of vaccinations through their primary care physician, the Charlottesville City Schools will pay their co-pay. One advantage to employees choosing to take the series through their physicians is that they can schedule their doctor visits at their discretion.

The hepatitis-b shots are available only for new employees or employees who have not taken the shot in the past. If interested in taking the inoculation, employees will need to sign a waiver form at the time/date of inoculation. If additional information is needed, please contact the Human Resources Office at 434.245.2400.

LIFE INSURANCE

VRS group life insurance provides division employees who are eligible for membership in VRS with two kinds of insurance during active employment - life insurance and accidental death and dismemberment insurance. The specific benefits are:

- a. group life insurance without a medical examination
- b. natural death benefit
- c. accidental death benefit
- d. double indemnity for accidental loss of one or more limbs or eyesight

The amount of coverage provided is equal to the employee's annual salary rounded to the next highest thousand, and doubled. An accidental death benefit would be double the natural death benefit. For loss of one limb or sight of one eye, the employee would receive a payment equal to his/her salary rounded to the next highest thousand. For the loss of two or more limbs and/or eyesight, payment received would equal his/her salary rounded to the next thousand and doubled.

LONG TERM CARE INSURANCE PLAN

The Virginia Retirement System (VRS) has established a new benefit for VRS members that provides for long term care insurance coverage. Long term care insurance helps provide for the cost of long-term care beyond a predetermined period; and covers care generally not covered by health insurance, Medicare, or Medicaid. Individuals who require long-term care are generally not sick in the traditional sense, but instead, are unable to perform the basic activities of daily living (ADL's) such as dressing, bathing, eating, toileting, continence, transferring (getting in and out of a bed or chair), and walking.

The plan is administered by Genworth Life Insurance Company and is available for active employees and retirees up to the age of 80 years. Active employees may also pay their premiums through payroll contributions.

For further information on the plan, employees can call Genworth Life toll free at 1.866.859.6060 or visit www.genworth.com/cov to learn more about the plan and how to enroll. You may also contact Kim Powell in Payroll for assistance at 434.245.2952.

OPTIONAL LIFE INSURANCE COVERAGE

Optional employee group term life insurance coverage is offered through Minnesota Life Insurance Company. For further information or to apply for this optional insurance benefit, contact the Office of Human Resources at 434.245.2950.

403 (b) RETIREMENT SAVINGS ACCOUNTS

Qualified retirement savings accounts are available only to employees of public school systems and certain other non-profit organizations. The legislation creating these tax-deferred plans originated in 1958 and specifically added public school employees as eligible participants in 1961. As a result, these plans became regulated by Section 403 (b) of the Internal Revenue Service Code.

Employee accounts are commonly referred to as Tax Sheltered Annuities or TSA. This is due to the fact that only standard interest annuities and variable annuities were allowable account types until the passage of the Employee Retirement Income Security Act (ERISA) in 1974. This development added mutual funds under custodial arrangements as an additional investment option. All regularly scheduled employees may elect to contribute a limited portion of their salary before taxes to one of the authorized plans available through the Charlottesville City Schools.

Policy: GCBC

Types of 403 (b) Accounts

You may choose from several types of 403 (b) TSA accounts for your retirement savings. It is important to select the type of plan best suited to your needs and goals. The different plans listed below represent the majority of all account types currently available. Note that each plan type has specific provisions and advantages associated with its use.

403 (b) - Standard Interest Annuity

These plans are offered by the majority of all insurance companies and are the simplest forms of retirement savings. They offer a guarantee of principal as well as a guaranteed minimum rate of return. The company also credits a current rate of interest on your deposits based on the earnings of their general account. This current rate will change periodically as determined by earnings in the general account and declared by the company. There are usually no sales charges or fees associated with establishing these accounts. Surrender charges for early withdrawals are common. Loan provisions are usually included.

These account types are the most recent addition to the 403 (b) product list. Developed by insurance companies, this annuity combines the characteristics of an interest annuity with the opportunity to participate in any positive returns realized in a stock market index. One of the most commonly used indexes is the Standard and Poor's 500 or S&P 500. The annuity will guarantee some minimum rate of return over a specified time period. Issuing companies may have different methods of crediting interest, so the investor should be comfortable with the method being used before making contributions. Two other terms which may be used with these accounts are: 1.) the *participation rate* and 2.) the *interest cap*. The *participation rate* reflects the percentage of the increase in the index used (such as the S&P 500) which is credited to the account in the form of interest earnings. The *interest cap* is the maximum interest which may be credited in any one year period. These provisions are usually determined at the beginning of each contract year.

403 (b) - Variable Annuity

Several investment alternatives are combined within these plans. The participant may select one or more investment accounts managed by the carrier or other various investment management companies. Interest bearing accounts with principal guarantees are available in addition to investment sub-accounts in which the participant assumes the investment risk. This flexible combination allows participants to allocate their contributions and account balances over a broad range of investments, if desired. Transfers among the separate accounts are commonly permitted. Annual fees and other charges are typical in these plans as well as surrender charges for early withdrawals. Loan provisions are also normally included.

403 (b) – Custodial Accounts

These plan types are offered by investment management companies and brokerage firms. Participants may direct their contributions to various investment portfolios which are managed by the custodian or management company. Annual fees, sales charges and other expenses may be associated with these plans. Loan provisions may also be available. Custodial accounts usually offer no guarantees. Long-range returns are subject to the performance of the investment accounts chosen by the participant. Investment options typically include money market accounts or mutual funds based on equity or bond investments.

The selection of a plan type for your retirement savings is an important part of your overall retirement savings program. The assistance of a professional representative can prove helpful in understanding how a particular plan may be beneficial in achieving your accumulation goals and should suggest a plan which is suitable to your risk tolerance. You should realize that the success of your program depends primarily on the amount you choose to deposit in your account. Returns are important, but secondary to the contribution itself. Employees should contact Central Office at 434.245.2400 and request a list of authorized vendors.

SHORT TERM DISABILITY OPTION

Charlottesville City Schools provides short-term and long-term disability benefits for VRS covered employees who have a qualifying event outside of work.

Both short-term and long-term disability benefits are mandated by VRS for Hybrid employees. Hybrid employees under VRS are eligible for short-term disability benefits after one year of service with the employer. Voluntary short-term disability coverage is made available for Hybrid employees to purchase coverage for the first year of service with Charlottesville City Schools.

For VRS Plan 1 & Plan 2 employees, VRS provides a disability retirement benefit. Charlottesville City Schools administers short-term disability benefits, and also provides a long-term disability plan to help bridge coverage to the VRS disability retirement benefit.

There is a seven day wait or elimination period for short-term disability benefits. If you have questions about disability benefits and how they relate to your specific VRS plan, please contact Human Resources.

TRAVEL ALLOWANCE

Charlottesville City School employees must follow the following process for approved vehicle travel on school business:

1. Contact the Division Administration Office at 434.245.2400 for availability of division vehicle.
2. When a division vehicle is not available, a determination will be made regarding the least cost alternative between two options; use of personal vehicle or use of a rental car.

If a division vehicle is not available, and a rental car is indicated as the least cost, employees may still choose to use their personal vehicle. Reimbursement will then be based on the lower amount.

TUITION REIMBURSEMENT

The School Board approves funds to provide partial tuition reimbursement for the cost of a course taken by an employee in order to strengthen the employee's knowledge of and skills in his/her primary area of responsibility within the school division.

In order to support the effectiveness of the division's instructional programs and initiatives, to insure compliance with accreditation, licensure and legal mandates, and to enhance the performance of individual staff members, the following procedures will be implemented when reimbursing staff members for college and graduate level course work.

Tuition Reimbursement for Employees Taking College Level Courses

1. Reimbursement is available for up to \$500 of the tuition cost for full-time staff and a partial tuition reimbursement up to \$250 for part-time staff for the following:
 - T1** A course taken for recertification and/or to increase a staff member's knowledge within his/her primary field of responsibility.
 - T2** A course formally approved for a staff member to obtain additional endorsement in order to meet the human resource needs of the division.
2. Staff will be reimbursed for **no more than three credit hours**, the equivalent of **one (1)** college level course, for each fiscal year (July 1 through June 30).
3. Employees will be reimbursed upon satisfactory completion of eligible courses.

Reimbursement for Fees Associated with GED Session Completion

1. Employees seeking to earn their GED are also eligible for tuition reimbursement. Eligible employees can apply for tuition reimbursement for up to 3 sessions per year and a maximum of \$500.
2. Upon successful completion of a GED session, a copy of a receipt of payment and a progress report

issued by the Adult Education program should be submitted to the Office of Human Resources in order for reimbursement to be approved.

All reimbursements will be dependent on available funding for courses taken in the year in which the money is budgeted. Staff members will be reimbursed in the order in which they are approved until all available money has been spent. Once available money is allocated, applications for tuition reimbursement can not be approved.

To apply for tuition reimbursement, staff members should complete a tuition reimbursement application form and submit it to the Office of Human Resources prior to formal enrollment in the course. The tuition reimbursement forms can be found on the Human Resources webpage or can be obtained in school offices or Central Office.

UNEMPLOYMENT COMPENSATION

Under certain conditions unemployment compensation is available to all staff. Rates are determined by the state. The school system is considered a reimbursable employer. For further information contact the Virginia Employment Commission at 434.984.7630.

VIRGINIA RETIREMENT SYSTEM (VRS)

Membership in the Virginia Retirement System is mandatory for all full-time employees. In fiscal year 2012-2013 each enrolled employee and the school division contributed into the plan. The rate of contribution for employees is 5% of their annual creditable compensation. Each employee's contribution will be deducted from their net pay on a pre-tax basis. For 11-month and 10-month employees this deduction will begin in August and September, respectively. The deduction will then continue based on each employee's number of pays.

Employees who were enrolled in VRS prior to July 1, 2010 are in VRS Plan 1. New employees hired from July 1, 2010 to December 31, 2013, or if your enrollment date is before July 1, 2010, and you were not vested as of January 1, 2013, are in VRS Plan 2. Employees hired on or after January 1, 2014, are on the Hybrid Retirement Plan. Detailed information on the VRS system, Plan 1, Plan 2, and Hybrid, and benefits is available through the Office of Human Resources or on the internet at www.varetire.org.

WELLNESS PROGRAM

All full-time and half-time employees who work 17.5 hours or more a week may join the CCS wellness program. ACAC, Gold's Gym, Smith Pool, and Carver Recreation Center are the approved fitness centers that are available to Charlottesville City School's employees. Additional information regarding rates for employees and their families are available through the Human Resources office.

WORKERS' COMPENSATION

All claims for Workers' Compensation benefits should be made through Ms. Donna Seay, Secretary, Division Administration Office, 1562 Dairy Road, 22903; telephone number 434.245.2948. All accident information must be collected and proper forms completed and forwarded to Ms. Seay at Central Office. All employees of the Charlottesville City Schools are covered by Workers' Compensation insurance. This insurance covers job-

related injuries. In case of injuries, employees shall go to approved physicians or health care centers for treatment after proper notification has been given to the immediate supervisor. These locations are posted in each building. Treatment by any other physician/hospital, without prior referral from physicians listed below, will not be recognized by the Charlottesville City Schools for payment of claims. In the event of lost time on the job due to a work-related injury, the employee will receive only a partial salary.

Employees who are on approved leave for a job-related injury will receive leave time in accordance with Workers' Compensation procedures. Employees absent from work, in such instances, are to be coded by the immediate supervisor as Workers' Compensation, with the note attached to the Employee Absentee Report that such absences are related to a job-injury.

C. Types of FMLA Leave

1. In General

Except as hereinafter provided, an eligible employee shall be entitled to a total of 12 work weeks of unpaid leave during the rolling 12-month period measured backward from the date the employee takes leave for one or more of the following:

- (a) because of the birth of a son or daughter of the employee and in order to care for such son or daughter;
- (b) because of the placement of a son or daughter with the employee for adoption or foster care.
- (c) because the employee is needed to care for his spouse, son, daughter or parent, if such spouse, son, daughter, or parent has a serious health condition.
- (d) because of a serious health condition that makes the employee unable to perform the functions of his or her position.
- (e) because of any qualifying exigency as defined in Department of Labor regulations, (hereinafter Qualifying Exigency Leave), arising out of the fact that the spouse, or a son, daughter, or parent of the employee is a covered military member on active duty (or has been notified of an impending call or order to active duty) in the Armed Forces in support of a contingency operation.

2. Military Caregiver Leave

An eligible employee who is the spouse, son, daughter, parent, or next of kin of a covered service member with a serious injury or illness shall be entitled to a total of 26 work weeks of leave during a single 12-month period to care for the service member. During the single 12-month period, an eligible employee shall be entitled to a combined total of 26 workweeks of leave for any FMLA qualifying reason, no more than 12 weeks of which may be for reasons other than to care for a covered service member with a serious injury or illness.

D. Additional Provisions

1. Husband and Wife Both Employed by School Board.

A husband and wife who are employed by the School Board may only take a combined total of 12 weeks of leave during the school year for the birth or placement of a child or to care for a parent (but not a parent-in-law) with a serious health condition.

2. The entitlement to leave for a birth or placement of a son or daughter shall expire 12-months after such birth or placement.

- (b) Leave for the serious health condition of an employee, an employee's spouse, parent or child, or a service member may be taken intermittently or on a reduced leave schedule when medically

necessary. If such leave is foreseeable based on planned medical treatment, the Division Superintendent may require the employee to transfer temporarily to an available alternative position for which the employee is qualified and that has equivalent pay and benefits and, in the Division Superintendent's opinion, better accommodates recurring periods of leave than the regular employment position of the employee.

4. Substitution of Paid Leave

- (a) An employee must substitute any accrued paid vacation leave, personal leave or family leave for unpaid leave under paragraphs C 1(a), (b), (c), (e), and C2 above.
- (b) An employee must substitute any accrued paid vacation leave, personal leave, or sick leave for unpaid leave for under paragraph C1(d) above.

E. Foreseeable Leave

1. Notice

In any case in which the necessity for leave is foreseeable based on an expected birth or placement, or planned medical treatment, the employee shall request such leave not less than 30 days before the date leave is to begin, except that if the date of the birth or placement, or medical treatment, requires leave to begin in less than 30 days, the employee shall provide as much notice as is practicable.

If the necessity for leave because of a qualifying exigency arising from the fact that a family member is on active duty or has been notified of an impending call to active duty is foreseeable, the employee shall give such notice to the school division as is reasonable and practicable.

2. Duties of Employee

Regulation: GCPD-R

PROFESSIONAL STAFF PROBATION AND CONTINUING CONTRACT

Teachers

Probationary Term

A probationary term of service of five years in the Charlottesville City School Division is required before a teacher is issued a continuing contract. However, the Superintendent may recommend to the Board that the probationary period for a particular teacher be reduced to no less than 3 years. Service under a local teacher license does not count towards satisfying this probationary requirement. A mentor teacher is provided to every first year probationary teacher to assist him or her in achieving excellence in instruction. Probationary

teachers with prior successful teaching experience may be exempt from this requirement with approval from the superintendent. Probationary teachers shall be evaluated at least annually in accordance with policy GCN-Evaluation of Professional Staff. A teacher in his first year of the probationary period is evaluated informally at least once during the first semester of the school year. The Superintendent shall consider such evaluations as one factor in making recommendations to the School Board regarding the nonrenewal of such teacher's contract. If a probationary teacher's evaluation is not satisfactory, the School Board shall not re-employ the teacher.

In order to achieve continuing contract status, every teacher must successfully completed training as offered through Charlottesville City Schools Professional Development in instructional strategies and techniques for intervention for or remediation of students who fail or are at risk of failing the Standards of Learning assessments. The Charlottesville City School Board provides said training at no cost to teachers it employs. If such training is not offered in a timely manner, no teacher will be denied continuing contract status for failure to obtain such training.

Once a continuing contract status has been attained in a different school division in this State, another probationary period not to exceed two years shall be served in the Charlottesville City School Division and shall be made a part of the contract of employment. If a teacher separates from service and returns to teaching service in Virginia public schools by the beginning of the third year, the person shall be required to begin a new probationary period, not to exceed two years, if made part of the contract.

If a teacher who has not achieved continuing contract status receives notice of re-employment, he/she must accept or reject in writing within 15 calendar days of receipt of the notice. Unless a conference with the Superintendent is requested as specified in the Code of Virginia, or in the case of reduction in force, written notice of nonrenewal of the probationary contract must be given by the board on or before June 15 of each year. If the teacher requests a conference with the Superintendent, then written notice of non-renewal by the School Board must be given within thirty days after the Superintendent notifies the teacher of his/her intention with respect to the recommendation.

Continuing Contract

Teachers employed after completing the probationary period shall be entitled to continuing contracts during good behavior and competent service.

Written notice of non-continuation of the contract by either party must be given by June 15 of each year: otherwise the contract continues in effect for the ensuing year.

The Charlottesville City School Board may reduce the number of teachers, whether or not such teachers have reached continuing contract status, because of decrease in enrollment or abolition of particular subjects.

Furthermore, nothing in the continuing contract shall be construed to authorize the Charlottesville City School Board to contract for any financial obligation beyond the period for which funds have been made available.

As soon after June 15 as the school budget is approved by the appropriating body, the school board shall furnish each teacher a statement confirming continuation of employment, setting forth assignment and salary.

Within two weeks of the approval of the school budget by the appropriating body, but no later than June 1, the school

board will notify any teacher who may be subject to a reduction in force due to a decrease in the school board's budget as approved by the appropriating body.

Principals, Assistant Principals and Supervisors

A person employed as a principal, assistant principal or supervisor, including a person who has previously achieved continuing contract status as a teacher, shall serve a probationary period of three years in such position in the same school division before acquiring continuing contract status as a principal, assistant principal or supervisor.

Continuing contract status acquired by a principal, assistant principal or supervisor shall not be construed (1) as prohibiting the School Board from reassigning such principal, assistant principal or supervisor to a teaching position if notice of reassignment is given by the School Board by June 15_of any year or (ii) as entitling any such principal, assistant principal or supervisor to the salary paid him as principal, assistant principal or supervisor in the case of any such reassignment to a teacher position. No such salary reduction and reassignment, however, shall be made without first providing such principal, assistant principal or supervisor with written notice of the reason for such reduction and reassignment and an opportunity to present his or her position at an informal meeting with the Superintendent, the Superintendent's designee or the School Board. Before recommending such reassignment, the superintendent shall consider, among other things, the performance evaluations for such principal, assistant principal or supervisor. The principal, assistant principal or supervisor shall elect whether such meeting shall be with the Superintendent, the Superintendent's designee or the School Board. The School Board, Superintendent or Superintendent's designee shall determine what processes are to be followed at the meeting. The decision to reassign and reduce salary shall be at the sole discretion of the School Board.

The intent of this section is to provide an opportunity for a principal, assistant principal or supervisor to discuss the reasons for such salary reduction and reassignment with the Superintendent, his/her designee or the School Board, and the provisions of this section are meant to be procedural only. Nothing contained herein shall be taken to require cause for the salary reduction and reassignment of a principal, assistant principal or supervisor.

As used in this policy, "Supervisor" means a person who holds an instructional_supervisory position as specified in the regulations of the Board of Education and who is required to hold a license as prescribed by the State Board of Education.
