APPOINTMENT AND TERM OF THE DIVISION SUPERINTENDENT

The Charlottesville City School Board will appoint the division superintendent from the list of eligible certified by the Board of Education and determine the term of employment. The Superintendent's term expires on June 30. The Superintendent serves an initial term of not less than two years nor more than four years. At the expiration of the initial term, the Superintendent is eligible to hold office for the term specified by the School Board, not to exceed four years.

If the School Board fails to appoint a division superintendent within 180 days of a vacancy, the Virginia Board of Education will appoint a superintendent for the division. If the School Board has not appointed a superintendent within 120 days of a vacancy, it will submit a written report to the Superintendent of Public Instruction demonstrating its efforts to make an appointment and containing a status report with a timeline for making the appointment prior to the 180-day deadline. If the School Board does not appoint a superintendent within 180 days of a vacancy, it will immediately notify the Virginia Board of Education, in writing, of its failure to do so. Within 30 days of the 180th day after the vacancy occurs, the School Board will submit, in writing, its preferred candidate(s), not to exceed three, for the position. The Virginia Board of Education may consider these candidates and other eligible individuals. The Virginia Board of Education may authorize the State Superintendent of Public Instruction to conduct the search for a division superintendent.

If the Virginia Board of Education appoints a superintendent, the contract for the superintendent will be negotiated by the School Board.

EVALUATION OF THE SUPERINTENDENT

It is the responsibility of the Charlottesville City School Board to maintain and improve the quality of administration and instruction. One of the primary methods in carrying out this responsibility is to work with the Superintendent in improving his or her effectiveness.

Annually, the Superintendent will provide to the Board a work plan designed to implement the goals set for the division by the School Board. The School Board shall evaluate the Superintendent annually. The School Board shall develop the instrument to evaluate the Superintendent after consulting (1) the uniform performance standards and criteria developed by the Board of Education and (2) the Superintendent. The Superintendent's evaluations will include student academic progress as a significant component and an overall summative rating. Informal evaluations may take place as the School Board deems appropriate, provided that the purpose for such appraisals be communicated to the Superintendent.

Each Board member will be involved in assessing the Superintendent's job performance on a continuing basis and by completing the formal evaluation instrument. Upon conclusion of the annual performance appraisal, the evaluation will be reviewed with the Superintendent by the Board or its designees.

REPORTING ACTS OF VIOLENCE
AND SUBSTANCE ABUSE

1. Acts Reported to the Principal

A. Except as may otherwise be required by federal law, regulation, or juris-prudence, reports shall be made to the principal (or designee) on all incidents involving:

- (i) assault, or assault and battery, without bodily injury of any person
- (ii) assault and battery which results in bodily injury, sexual assault, death, shooting, stabbing, cutting, or wounding of any person or stalking of any person as described in Va. Code § 18.2-60.3
- (iii) any conduct involving alcohol, marijuana, a controlled substance, imitation controlled substance or an anabolic steroid including the theft or attempted theft of student prescription medications
- (iv) any threats against school personnel
- (v) illegal carrying of a firearm as defined in Va. Code § 22.1-277.07 onto school property
- (vi) any illegal conduct involving firebombs, explosive materials or devices, or hoax explosive devices as defined in Va. Code § 18.2-85, or explosive or incendiary devices, as defined in Va. Code § 18.2-433.1, or chemical bombs as described in Va. Code § 18.2-87.1
- (vii) any threats or false threats to bomb, as described in Va. Code § 18.2-83, made against school personnel or involving school property or schools buses;
- (viii) the arrest of any student for an incident occurring on a school bus, on school property, or at a school sponsored activity, including the charge therefore; and
- (ix) any illegal possession of weapons, alcohol, drugs, or tobacco products.

The principal of each school shall collect and maintain information on the above listed acts.

B. The division Superintendent and principal (designee) shall receive reports from local law enforcement authorities on offenses,

- (i) wherever committed, by students enrolled at the school if the offense would be a felony if committed by adult or
- (ii) that would be a violation of The Drug Control Act, Va. Code § 54.1-3400 et seq. and occurred on a school bus, on school property, or at a school-sponsored activity, or
- (iii) that would be an adult misdemeanor involving any incidents described in clauses (i) through (viii) of subsection A.

The information received should state whether or not the student is released to the custody of his parent or, if 18 years of age or more, is released on bond. The

Superintendent shall request that the reports include information regarding terms of release from detention, court dates, and terms of any disposition orders entered by the court.

When the division Superintendent receives notification that a juvenile has committed an act that would be a crime if committed by an adult pursuant to subsection G of Va. Code § 16.1-260, the Superintendent will report such information to the principal of the school in which the juvenile is enrolled.

II. Reporting Duties of the Principal and Superintendent

A. The principal or designee shall report all incidents required or authorized to be reported pursuant to section I of this policy to the Superintendent. The Superintendent shall annually report all such incidents to the Department of Education and shall make such information available to the public.

In submitting reports of such incidents, principals and division superintendents shall accurately indicate any offenses, arrests, or charges as recorded by law-enforcement authorities and required to be reported by such authorities pursuant to subsection I.B. of this policy.

Except as may otherwise be required by federal law, regulation, or jurisprudence, the principal shall immediately report to local law enforcement officials any of the acts listed in clauses (ii) through (vii) of subsection I.A. of this policy which may constitute a criminal offense and may report to the local law enforcement agency any incident described in clause (i) of subsection I.A.

A division superintendent who knowingly fails to comply or secure compliance with the reporting requirements of this subsection shall be subject to the sanctions authorized in § [22.1-65](#). A principal who knowingly fails to comply or secure compliance with the reporting requirements of this section shall be subject to sanctions which may include, but need not be limited to, demotion or dismissal.

The principal or his designee shall also notify the parent of any student involved in an incident required pursuant to this section to be reported, regardless of whether disciplinary action is taken against such student or the nature of the disciplinary action. Such notice shall relate to only the relevant student's involvement and shall not include information concerning other students.

In addition, except as may be prohibited by federal law, regulation, or jurisprudence, the principal will also immediately report any act enumerated in clauses (ii) through (v) of subsection A of this policy that may constitute a criminal offense to the parents of any minor student who is the specific object of such act. Further, the principal will report that the incident has been reported to local law enforcement as required by law and that the

parents may contact local law enforcement for further information, if they so desire.

The principal or designee shall notify the parent of any student involved in an incident required to be reported, regardless of whether disciplinary action is taken against such student or the nature of the disciplinary action. Such notice shall relate to only the relevant student's involvement and shall not include information concerning other students.

III. Prevention and Intervention Activities

Whenever any student commits any reportable incident as set forth in this policy, such student shall be required to participate in such prevention and intervention activities as deemed appropriate by the Superintendent or Superintendent's designee. Prevention and intervention activities shall be identified in the local school division's drug and violence prevention plans developed pursuant to the federal Improving America's Schools Act of 1994 (Title IV-Safe and Drug-Free Schools and Communities Act).

The School Board shall develop, in cooperation with the local law-enforcement agencies, juvenile and domestic relations court judges and personnel, parents, and the community at large, programs to prevent violence and crime on school property and at school-sponsored events, which shall include prevention of hazing. Activities designed to prevent the recurrence of violence and crime, including hazing, may include such interventions as education relating to Virginia's criminal law, school crime lines, peer mediation, conflict resolution, community service requirements, and any program focused on demonstrating the consequences of violence and crime. The School Board may develop and use a network of volunteer services in implementing prevention activities.

IV. Purpose

The purpose of reporting acts of violence and substance abuse shall be to develop a program of prevention activities that will provide children and staff with a school environment that is safe and conducive to learning.

SCHOOL DIVISION ANNUAL REPORT CARD

1. Division Report Cards

The Charlottesville City School Board will annually prepare and disseminate a division report card. The report card will contain the following information:

- information, in the aggregate, on student achievement at each proficiency level on the Standards of Learning. The information will also be disaggregated by race, ethnicity, gender, disability status, migrant status, English proficiency, and status as economically disadvantaged. Disaggregated information will not be provided if the number of students in a category is less than 10.
- information that provides a comparison between the actual achievement levels of economically disadvantaged students, students from major racial and ethnic groups, students with disabilities, and students with limited English proficiency and Virginia's annual measurable objective for each such group of students on each of the Standards of Learning.
- the percentage of students not tested (disaggregated by the same categories and subject to the same exception described in the first bullet above).
- the most recent 2-year trend in student achievement in each subject area, and for each grade level, for which Standards of Learning tests are required.
- aggregate information on any other indicators used by Virginia to determine the adequate yearly progress of students in achieving Virginia's academic achievement standards.
- graduation rates for secondary school students. The graduation rates reported will include graduation rates for public school students who graduate from secondary school with a regular diploma in the standard number of years.
- information on the performance of the division regarding making adequate yearly progress.
- the professional qualifications of teachers in the division, the percentage of such teachers teaching with emergency or provisional credentials, and the percentage of classes in the Division not taught by highly qualified teachers, in the aggregate and disaggregated by high-poverty compared to low-poverty schools which, for the purpose of this provision, means schools in the top quartile of poverty and the bottom quartile of poverty in Virginia.
- the number and percentage of schools identified for school improvement.
- the length of time that schools identified for improvement have been so identified.
- information showing how students served by the division achieved on the Standards of Learning tests compared to students in the state as a whole.

GENERAL ADMINISTRATION

File: CMA
Page 2

The report card will also show, for each school in the division, whether the school has been identified for school improvement under the No Child Left Behind Act of 2001, and information that shows how the school's students' achievement on the Standards of Learning and other indicators of adequate yearly progress compared to students in the division and the state as a whole.

The Charlottesville City School Board will publicly disseminate the information in the annual report card to all schools in the division and to all parents of students attending those schools in an understandable and uniform format. To the extent practicable, the information will be provided in a language that the parents can understand. The Board will also make the information widely available through public means such as posting on the Internet, distribution to the media, and distribution through public agencies.

II. School Performance Report Cards

The Charlottesville City School Board shall ensure that every school in the division, regardless of whether or not that school receives funds under Title I, Part A, shall provide annually to the parents and the community a School Performance Report Card containing information for the most recent three-year period. Such information shall include but not be limited to:

- SOL test scores and scores on the literacy and numeracy tests required for the Modified Standard Diploma for the school, school division, and state.
- percentage of students tested, as well as the percentage of students not tested, to include a breakout of students with disabilities and limited English proficient students.
- percentage of students who are otherwise eligible, but do not take, the SOL tests due to enrollment in an alternative, or any other program not leading to a Standards Advanced Studies, Modified Standard, or International Baccalaureate Diploma.
- performance of students with disabilities or students with limited English proficiency on SOL tests and alternate assessments as appropriate.
- the accreditation rating awarded to the school.
- attendance rates for students.
- information related to schools safety to include, but not be limited to, incidents of physical violence (including fighting and other serious offenses), possession of firearms, and possession of other weapons.
- information related to qualifications and experience of the teaching staff including the percentage of the school's teachers endorsed in the area of their primary teaching assignment.

In additions, School Performance Report Cards for secondary schools shall include the following:

GENERAL ADMINISTRATION

- Advanced Placement (AP) information to include percentage of students who take AP courses and percentage of those students who take AP tests.
- college-level course information to include percentage of students who take college-level courses.
- percentage of (i) diplomas, (ii) certificates awarded to the senior class including high school equivalency credentials, and (iii) students who do not graduate.
- percentage of students in alternative programs that do not lead to a Standard, Advanced Studies, or Modified Standard Diploma.
- percentage of students in academic year Governor’s Schools.
- percentage of drop-outs.
- the number of Board-approved industry certifications obtained, the number of state licensure examinations passed, the number of national occupational competency assessments passed, the number of Virginia workplace readiness skills assessments passed and the number of career and technical education completers that graduated. A “career and technical education completer” is a student who has met the requirements for a career and technical concentration or specialization and all requirements for high school graduation or an approved alternative education program.
