APPOINTMENT AND TERM OF THE DIVISION SUPERINTENDENT

The Charlottesville City School Board will appoint the division superintendent from the list of eligible certified by the Board of Education and determine the term of employment. The Superintendent's term expires on June 30. The Superintendent serves an initial term of not less than two years nor more than four years. At the expiration of the initial term, the Superintendent is eligible to hold office for the term specified by the School Board, not to exceed four years.

If the School Board fails to appoint a division superintendent within 180 days of a vacancy, the Virginia Board of Education will appoint a superintendent for the division. If the School Board has not appointed a superintendent within 120 days of a vacancy, it will submit a written report to the Superintendent of Public Instruction demonstrating its efforts to make an appointment and containing a status report with a timeline for making the appointment prior to the 180-day deadline. If the School Board does not appoint a superintendent within 180 days of a vacancy, it will immediately notify the Virginia Board of Education, in writing, of its failure to do so. Within 30 days of the 180th day after the vacancy occurs, the School Board will submit, in writing, its preferred candidate(s), not to exceed three, for the position. The Virginia Board of Education may consider these candidates and other eligible individuals. The Virginia Board of Education may authorize the State Superintendent of Public Instruction to conduct the search for a division superintendent.

If the Virginia Board of Education appoints a superintendent, the contract for the superintendent will be negotiated by the School Board.
