## SALE AND DISPOSAL OF PROPERTY

### Generally

The school division shall apply trade-in allowances on equipment to be replaced against the purchase cost of the new equipment whenever possible.

The school division may dispose of equipment having no trade-in value by informal bid, auction or pre-priced sale as appropriate to the public. If items are valued in excess of \$500.00, formal authorization for negotiated sale or for putting the items to bid will be obtained from the Charlottesville City School Board.

The bidder or purchaser shall certify in all bids and for all negotiated sales whether he/she is an officer or employee of the division or a member of the immediate family of an officer or employee. Officers and employees of the school division, and members of their immediate families, may purchase surplus property from the school division only if the property is being sold at uniform prices available to the public and if the goods are sold for less than \$500.00.

If reasonable attempts through the bidding or direct sales process to dispose of the items are unsuccessful, then the superintendent or his/her designee is authorized to arrange for their disposal.

Whenever it is determined that the Charlottesville City School Board has no use for some of its real property, the Charlottesville City School Board may sell such property and may retain all or a portion of the proceeds of such sale upon approval of the City of Charlottesville and after the Charlottesville City School Board has held a public hearing on such sale and retention of proceeds.

Obsolete educational technology hardware and software that is being replaced pursuant to Va. Code § 22.1-199.1(B)(4) may be donated to other school divisions, to students, as provided in Board of Education guidelines, and to preschool programs in the Commonwealth.
