REPORTING OF HAZARDS

1. The Assistant Superintendent for Administrative Services shall disseminate procedures to each school for the reporting of hazards. The procedures will provide guidelines for types of hazards and appropriate responses with contact information.
2. The Assistant Superintendent shall serve as the designee of the Superintendent for the evaluation and labeling of toxicity in art materials based on criteria released by the Department of Education (DOE). The Assistant Superintendent may collaborate with an employee qualified to do the evaluations or may contract with a vendor.
3. If any art material is determined to meet the toxicity criteria as described in the DOE guidelines, the Assistant Superintendent shall immediately notify all principals, especially with grades kindergarten through grade 5 to immediately discontinue the use of the material.
