INVENTORY AND REPORTING OF LOSS OR DAMAGE

A. Inventories

1. The Assistant Superintendent for Administrative Services shall serve as the Superintendent's designee to devise an adequate system of inventory of school property.
2. The Assistant Superintendent shall assign the responsibility of attaching identification tags to all nonconsumable equipment and adding the item to the inventory to a staff member.
3. Each school's inventory shall be available at the school with a copy in the office of the Assistant Superintendent to identify items for the purpose of insurance and to control the loss of property. The inventory may be maintained as an electronic file or [paper copy](#).
4. A copy of the divisionwide inventory shall be available at the office of the Assistant Superintendent. The inventory may be maintained as an electronic file or paper copy.
5. The inventory shall include, but not be limited to, the following: buildings, movable equipment, vehicles, and all other items of significant value. Each school shall keep a complete inventory of all equipment, listing make, source, date of purchase, model, serial number, and other identifying data.

B. Reporting Losses

1. All loss of or damage to school property shall be promptly reported to the Superintendent or designee. A [report](#) of the item(s), location, cause for loss or damage, approximate costs, and any additional necessary information shall be provided.
