## PROGRAMS FOR STUDENTS WITH DISABILITIES

The Charlottesville City School Board provides a free, appropriate education for all children and youth from ages 2 to 21 who are identified as students with disabilities inclusive who are residents of Charlottesville or who are not residents of Charlottesville but are residents of Virginia and who are enrolled in a full-time virtual school program provided by the Board. To the maximum extent appropriate, students with disabilities are educated with children who are not disabled.

An Individualized Education Program (IEP) is developed and maintained for each child eligible for special education under the Individuals with Disabilities Education Act. The program is developed in a meeting with the child's teachers, parent(s)/guardian(s), the student (when appropriate), a school division representative qualified to provide or supervise the provision of special education services, an individual who can interpret the instructional implications of evaluation results and other individuals at the discretion of the parents/guardians or school division in accordance with state and federal law. This IEP is reviewed at least annually. The IEP includes areas specified by state and federal statutes and regulations.

### Explanation of Procedural Safeguards
