3. Parental consent is not required for a student to be retained in a grade.
4. Through grade eight, promotion and retention shall be based on an evaluation of the student's acquisition of skills and knowledge as well as other evidence of growth as determined by the student's teacher(s) and principal.
5. Promotion or retention shall not be determined solely by achievement on Standards of Learning (SOL) testing.
6. Advancement from grade 9 to grades 10, 11 and 12 will be based on a specified number of credits earned.
7. The decision on the number of credits qualifying students for promotion shall be made by the principal in consultation with the licensed staff.
