### SOL REMEDIATION RECOVERY PROGRAM

1. A program for remediation and recovery shall be established for students in grade 3 through 8 or enrolled in a high school course with an end-of-course SOL test who have failed the SOL assessment in the areas of English (Reading, Literature, and Research) or mathematics, and students at the high school level who have failed to pass an SOL assessment in English (reading and/or writing) and mathematics.
2. Students must participate in some form of remediation, including the remediation recovery program, to be eligible for retesting.
3. Students who participate in the remediation recovery program for classes with end-of-course SOL tests shall retake the applicable SOL test at the next regularly scheduled administration of the test, and may only be counted in remediation recovery once for one grade/SOL test.
4. Students may continue to retake end-of-course tests as many times as necessary to earn verified credit.
5. Schools shall maintain evidence of a student's participation in a remediation recovery program along with the scores of any SOL tests taken following remediation in the student's record.
6. A copy of the remediation plan will be available in the office of the principal or assistant principal and submitted to the Associate Superintendent for Instruction for review and approval.
7. The following students are ineligible for the remediation recovery program:
  - Students in grade 8 who are retested because they were retained and had not previously passed the grade 8 test in reading or mathematics.
  - Students who retake an end-of-course test as a result of failing and retaking an English or mathematics course at the high school level.
