

Virtual Education Mandatory Orientation Information

Charlottesville City School is proud to offer a robust virtual education program to all high school students. As a best practice, all students enrolled in an online course are required to complete an orientation. Orientations ensure that students can successfully begin the course, know the expectations, and meet success.

MANDATORY ORIENTATION INFORMATION:

- Additional information will be provided in the beginning of year packet sent to all students.
- Students **must attend orientation on Monday, August 21 @ CHS** (schedule below)
***BRING your own computing device**
(NOTE - transportation & lunch will not be provided)
Students who do not complete orientation may be dropped from the course.

Additional questions:

Ryan Devlin, Assistant Principal, 245-2410 devlinr1@charlottesvilleschools.org

Stephanie Carter, Program Admin for Virtual Ed, 245-2836 carters2@charlottesvilleschools.org
