What about non-resident students in CCS schools?

2017 CCS K-12 Enrollment: 4,225

- 93% Charlottesville residents
- 5% Non-residents paying tuition
- 2% Children of City or CCS employees

CCS Tuition-Paying Students

- CHS: 74 Students
- Buford: 22 Students
- Walker: 28 Students
- Elementary: 83 Students
Yearly assessments of the non-resident student program have assured that historically, there has not been a significant impact on the number of needed classrooms. In 2017-18, out of 131 elementary homerooms, there are only 2 where the removal of tuition paying non-resident students might possibly have led to the elimination of the homeroom.
