II. SUSPENSIONS AND EXPULSIONS OF STUDENTS GENERALLY

Pupils may be suspended or expelled from attendance at school for sufficient cause, however, in no case may sufficient cause for suspension include only instances of truancy.

Except as provided in subsection C of Va. Code § 277 or Va. Code §§ 22.1-277.07 or 22.1-277.08, no student in preschool through grade three is suspended for more than three school days or expelled from attendance at school, unless (i) the offense involves physical harm or credible threat of physical harm to others or (ii) the School Board or the superintendent or superintendent’s designee finds that aggravating circumstances exist, as defined by the Virginia Department of Education.

Any student for whom the Superintendent has received a report pursuant to Va. Code §16.1-305.1 of an adjudication of delinquency or a conviction for an offense listed in subsection G of Va. Code § 16.1-260 may be suspended or expelled from school attendance.

The authority of teachers to remove students from their classes in certain instances of disruptive behavior shall not be interpreted to affect the operation of this policy.

III. SHORT-TERM SUSPENSIONS

A pupil may be suspended for not more than ten school days by either the school principal, any assistant principal, or, in their absence, any teacher. The principal, assistance principal, or teacher may suspend the pupil after giving the pupil oral or written notice of the charges against him and, if he denies them, an explanation of the facts as known to school personnel and an opportunity to present his version of what occurred. In the case of any pupil whose presence poses a continuing danger to persons or property, or whose presence is an ongoing threat of disruption, the pupil may be removed from school immediately and the notice, explanation of facts, and opportunity to present his version shall be given as soon as is practical thereafter.

Upon suspension of any pupil, the principal, assistant principal, or teacher acting as designee for the principal, shall report the facts of the case in writing to the Superintendent or Superintendent's designee and the parent of the pupil suspended. The Superintendent or Superintendent's designee shall review forthwith the action taken by the principal, assistant principal, or teacher upon a petition for such review by any party in interest and confirm or disapprove such action based on an examination of the record of the pupil's behavior.

The decision of the division Superintendent or designee shall be final and may not be appealed.

Any oral or written notice to the parent of a student who is suspended from school attendance for not more than ten days shall include notification of the length of the suspension, information regarding the availability of community-based educational programs, alternative education programs or other educational options, and of the student's right to return to regular school attendance upon the expiration of the suspension. The costs of any community-based educational program offered by the school division shall be borne by the parent of the student.

IV. LONG-TERM SUSPENSION

A pupil may be suspended from attendance at school for 11 to 45 school days after written notice is provided to the pupil and his parent of the proposed action and the reasons therefore and of the right to a hearing before the a Disciplinary Committee. The Disciplinary Committee may confirm or disapprove the suspension. If the Disciplinary Committee's decision is not unanimous, the pupil or his parent may appeal the Disciplinary Committee's decision to the full School Board. Such appeal shall be decided by the School Board within thirty days.

The written notice of a suspension for more than ten days shall include notification of the length of the suspension and shall provide information concerning the availability of community-based educational, alternative education, or intervention programs. Such notice shall also state that the student is eligible to return to regular school attendance upon the expiration of the suspension or to attend an appropriate alternative education program approved by the School Board during or upon the expiration of the suspension. The costs of any community-based educational, alternative education, or intervention program that is not a part of the educational program offered by the school division that the student may attend during his suspension shall be

borne by the parent of the student.

A long-term suspension may extend beyond a 45-school-day period but shall not exceed 364 calendar days if (i) the offense is one described in Va. Code §§ 22.1-277.07 or 22.1-277.08 or involves serious bodily injury or (ii) the School Board or division superintendent or superintendent's designee finds that aggravating circumstances exist, as defined by the Virginia Department of Education.

Nothing herein shall be construed to prohibit the School Board from permitting or requiring student suspended pursuant to this section to attend an alternative education program provided by the School Board for the term of such suspension.

V. EXPULSION

A, Generally

Pupils may be expelled from attendance at school after written notice to the pupil and his parent of the proposed action and the reasons therefore and of the right to a hearing before the School Board Disciplinary Committee in accordance with the regulations of the School Board.

The School Board Disciplinary committee may confirm or disapprove the expulsion of a student. If the committee's decision is not unanimous, the pupil or his parent may appeal the committee's decision to the full School Board. Such appeal shall be decided by the School Board within 30 days.

The Committee confirms or disapproves of proposed expulsions regardless of whether the pupil has exercised the right to a hearing.

The written notice given to the pupil and his parent shall include notification of the length of the expulsion and shall provide information concerning the availability of community-based educational, training, and intervention programs. The notice shall also state whether or not the student is eligible to return to regular school attendance, or to attend an appropriate alternative education program approved by the School Board, or an adult education program offered by the school division, during or upon the expiration of the expulsion, and the terms or conditions of such readmission. The costs of any community-based educational, training, or intervention program that is not a part of the educational program offered by the school division that the student may attend during his expulsion shall be borne by the parent of the student.

Nothing in this policy shall be construed to prohibit the School Board from permitting or requiring students expelled pursuant to this policy to attend an alternative education program provided by the school Board for the term of such expulsion.

If the School Board determines that the student is ineligible to return to regular school attendance or to attend during the expulsion an alternative education program or an adult education program in the school division, the written notice shall also advise the

parent of such student that the student may petition the School Board for readmission to be effective one calendar year from the date of his expulsion, and of the conditions, if any, under which readmission may be granted.

The School Board shall establish, by regulation, a schedule pursuant to which such students may apply and reapply for readmission to school. Such schedule shall be designed to ensure that any initial petition for readmission will be reviewed by the Disciplinary Committee or the division Superintendent, and, if granted, would enable the student to resume school attendance one calendar year from the date of the expulsion. If the division Superintendent or the Disciplinary Committee denies such petition, the student may petition the School Board for review of such denial.

B. Conduct Giving Rise to Expulsion

Recommendations for expulsions for actions other than those specified below shall be based on the following factors:

- the nature and seriousness of the conduct;
- the degree of danger to the school community;
- the student's disciplinary history, including the seriousness and number of previous infractions;
- the appropriateness and availability of an alternative education placement or program;
- the student's age and grade level;
- the results of any mental health, substance abuse, or special education assessments;
- the student's attendance and academic records; and
- other appropriate matters.

No decision to expel a student shall be reversed on the grounds that such factors were not considered. Nothing in this subsection shall be deemed to preclude a School Board from considering any of the factors listed above as "special circumstances" for purposes of expulsions discussed in the following subsections.

Firearms

The School Board shall expel from school attendance for a period of not less than one year any student whom such School Board has determined to have possessed a firearm on school property or at a school-sponsored activity as prohibited by Va. Code § 18.2-308.1, or to have possessed a firearm or destructive device as defined in this policy, a firearm muffler or firearm silencer, or a pneumatic gun as defined in this policy on school property or at a school-sponsored activity. A school administrator, pursuant to School Board policy, or a School Board may, however, determine, based on the facts of a particular situation, that special circumstances exist and no disciplinary action or another disciplinary action or another term of expulsion is appropriate. The School Board may promulgate

guidelines for determining what constitutes special circumstances. In addition, the School Board may, by regulation, authorize the Superintendent or superintendent's designee to conduct a preliminary review of such cases to determine whether a disciplinary action other than expulsion is appropriate. Nothing in this policy shall be construed to require a student's expulsion regardless of the facts of the particular situation.

The exemptions set out in Va. Code § 18.2-308 regarding concealed weapons shall apply, *mutatis mutandis*, to the provisions of this policy. The provisions of this policy shall not apply to persons who possess such firearm or firearms or pneumatic guns as a part of the curriculum or other programs sponsored by the schools in the school division or any organization permitted by the school to use its premises or to any law-enforcement officer while engaged in his duties as such.

Drug Offenses

The School Board shall expel from school attendance any student whom the School Board has determined to have brought a controlled substance, imitation controlled substance, or marijuana as defined in Va. Code § 18.2-247 onto school property or to a school-sponsored activity. The School Board may, however, determine, based on the facts of the particular case, that special circumstances exist and another disciplinary action is appropriate. In addition, the School Board may, by regulation, authorize the Superintendent or the superintendent's designee to conduct a preliminary review of such cases to determine whether a disciplinary action other than expulsion is appropriate. Nothing in this policy shall be construed to require a student's expulsion regardless of the facts of the particular situation.

C. Procedures for School Board Disciplinary Committee Hearing

The procedure for the Disciplinary Committee hearing shall be as follows:

- The Disciplinary Committee shall determine the propriety of attendance at the hearing of persons not having a direct interest in the hearing. The hearing shall be private unless otherwise specified by the Disciplinary Committee.
- The Disciplinary Committee may ask for opening statements from the principal or his representative and the student or his parent(s) (or their representative) and, at the discretion of the Disciplinary Committee, may allow closing statements.
- The parties shall then present their evidence. Because the principal has the ultimate burden of proof, he shall present his evidence first. Witnesses may be questioned by the Disciplinary Committee members and by the parties (or their representative). The Disciplinary Committee may, at its discretion, vary this procedure, but it shall afford full opportunity to both parties for presentation of any material or relevant evidence and shall afford the parties the right of cross-examination provided, however, that the Disciplinary Committee may take the testimony of student witnesses outside the presence of the student, his parent(s) and

their representative if the Disciplinary Committee determines, in its discretion, that such action is necessary to protect the student witness.

- The parties shall produce such additional evidence as the Disciplinary Committee may deem necessary. The Disciplinary Committee shall be the judge of the relevancy and materiality of the evidence.
- Exhibits offered by the parties may be received in evidence by the Disciplinary Committee and, when so received, shall be marked and made a part of the record.
- The Disciplinary Committee may, by majority vote, uphold, reject or alter the recommendations.
- The Disciplinary Committee shall transmit its decision, including the reasons therefore, to the student, his parent(s), the principal and Superintendent.

Following the decision of the Disciplinary Committee or upon expiration of the appeal period, the student's parent(s) or guardian shall be provided with written notice which shall include the following:

- The terms or conditions of re-admission, if any;
- The duration of expulsion;
- A statement declaring whether the student is eligible to return to school or attend an appropriate alternative education program approved by the School Board or an adult education program offered by the division during or after the expulsion. If neither option applies, a statement that the student may petition the School Board for readmission after one calendar year from the date of his expulsion; and
- The availability of community-based educational, training and intervention programs;

The student or his parent(s) may appeal the Disciplinary committee's decision to the full School Board only if the decision of the Disciplinary Committee is not unanimous. Otherwise the decision of the Disciplinary Committee is final.

The appeal to the full School Board must be in writing and must be filed with the Superintendent within five (5) calendar days of the committee's decision. Failure to file a written appeal within the specified time will constitute a waiver of the right to an appeal. The full School Board will decide the appeal upon the record of the case within

thirty (30) calendar days of the request for an appeal and communicate its decision in writing to the student and his parent, guardian, or other person having control or charge of the student. Such written notice shall include any changes in: (1) the duration of the suspension; (2) the availability of community-based educational, training, and intervention programs; and/or (3) eligibility to return to school or attend an alternative education program. No statements, witnesses or evidence may be presented at this appeal unless specifically requested by the Chairman of the Board.

VI. ALTERNATIVE EDUCATION PROGRAM

The School Board may require any student who has been (1) charged with an offense relating to the laws of Virginia, or with a violation of school board policies, on weapons, alcohol or drugs, or intentional injury to another person, or with an offense that is required to be disclosed to the Superintendent of the school division pursuant to Va. Code § 16.1-260.G; (2) found guilty or not innocent of an offense relating to Virginia's laws on weapons, alcohol, or drugs, or of a crime that resulted in or could have resulted in injury to others, or of an offense that is required to be disclosed to the Superintendent of the school division pursuant to Va. Code 16.1-260.G.; (3) found to have committed a serious offense or repeated offenses in violation of school board policies; (4) suspended pursuant to Va. Code § 22.1-277.05; or (5) expelled pursuant to Va. Code §§ 22.1-277.06, 22.1-277.07, or 22.1-277.08 or subsection B of Va. Code § 22.1-277, to attend an alternative education program. The School Board may require such student to attend such programs regardless of where the crime occurred.

The School Board may require any student who has been found to have been in possession of, or under the influence of, drugs or alcohol on a school bus, on school property, or at a school-sponsored activity in violation of school board policies, to undergo evaluation for drug or alcohol abuse, or both, and, if recommended by the evaluator and with the consent of the student's parent, to participate in a treatment program.

A principal or principal's designee may impose a short-term suspension, pursuant to Va. Code § 22.1-277.04, upon a student who has been charged with an offense involving intentional injury enumerated in Va. Code § 16.1-260.G, to another student in the same school pending a decision as to whether to require that such student attend an alternative education program.

As used herein, "charged" means that a petition or warrant has been filed or is pending against a pupil.

- C. The principal or his designee shall submit a report of all incidents required to be reported pursuant to subsection VII.A. (1-8) of this policy to the Superintendent of the school division. The division Superintendent shall annually report all such incidents to the Department of Education.

In submitting reports of such incidents, principals and division superintendents shall accurately indicate any offenses, arrests, or charges as recorded by law-enforcement authorities and required to be reported by such authorities pursuant to subsection VII.B. of this policy.

- D. The principal or principal's designee shall also notify the parent of any student involved in an incident required by this subsection to be reported, regardless of whether disciplinary action is taken against such student or the nature of the disciplinary action. Such notice shall relate to only the relevant student's involvement and shall not include information concerning other students.

Further, the principal shall report that the incident has been reported to local law enforcement as required by law and that the parents may contact local law enforcement for further information, if they so desire.

- G. For purposes of this section, "parent" or "parents" mean any parent, guardian, or other person having control or charge of a child.

VIII. RE-ADMISSION OF SUSPENDED AND/OR EXPELLED STUDENTS

Page 11

Any student who has been expelled or suspended for more than thirty days from attendance at school by a School Board or a private school in this Commonwealth or in another state or for whom admission has been withdrawn by a private school in this Commonwealth or in another state may be excluded from attendance in the Charlottesville City Schools, in accordance with Policy JEC School Admission. In the case of a suspension of more than thirty days, the term of the exclusion may not exceed the duration of such suspension.

In excluding any such expelled student from school attendance, the Charlottesville City School Board may accept or waive any or all of any conditions for readmission imposed upon such student by the expelling school board pursuant to Va. Code § 22.1-277.06. The School Board shall not impose additional conditions for readmission to school.

No suspended student shall be admitted to the regular school program until such student and his parent have met with school officials to discuss improvement of the student's behavior, unless the school principal or principal's designee determines that re-admission, without parent conference, is appropriate for the student.

If the parent fails to comply with this policy or Policy JEC, the School Board may ask the Juvenile and Domestic Relations Court to proceed against the parent for willful and unreasonable refusal to participate in efforts to improve the student's behavior.

Upon the expiration of the exclusion period for an expulsion or a withdrawal of admission, which period shall be established by the School Board, committee thereof, or Superintendent or Superintendent's designee, as the case may be at the relevant hearing, the student may re-petition the School Board for admission. If the petition for admission is rejected, the School Board shall identify the length of the continuing exclusion period and the subsequent date upon which such student may re-petition the School Board for admission.

The School Board may permit students excluded pursuant to this subsection to attend an alternative education program provided by the School Board for the term of such exclusion.
