Code 16.1-260.G. contained in a notice received pursuant to Va. Code § 16.1-305.1 to school personnel responsible for the management of student records and to other relevant school personnel, including, but not limited to, the principal of the school in which the student is enrolled. The principal shall further disseminate such information to licensed instructional personnel and other school personnel who (1) provide direct educational and support services to the student and (2) have a legitimate educational interest in such information.

A parent, guardian, or other person having control or charge of a student and with consent of a parent or in compliance with a court order, the court in which the disposition was rendered, shall be notified in writing of any disciplinary action taken with regard to any incident upon which the adjudication of delinquency or conviction for an offense listed in subsection G of Va. Every notice of adjudication of delinquency or conviction for an offense listed in subsection G. of Va. Code Section 16.1-260 received by a Superintendent, and information contained in the notice, which is not a disciplinary record as defined in Board of Education regulations, shall be maintained by him/her and by any others to whom he/she disseminates it,

separately from all other records concerning the student. However, if the school administrators or the School Board takes disciplinary action against a student based upon an incident which formed the basis for the adjudication of delinquency or conviction for an offense listed in subsection G. of Va. Code Section 16.2-260, the notice shall become a part of the student's disciplinary record.

Any notice of disposition received pursuant to Va. Code § 16.1-305.1 shall not be retained after the student has been awarded a diploma or a certificate as provided in Va. Code § 22.1-253.13:4. Petitions and Reports

The Superintendent shall not disclose information contained in or derived from a notice of petition received pursuant to § 16.1-260 or report received pursuant to Va. Code § 66-25.2:1 except as follows:

- if the juvenile is not enrolled as a student in a public school in the division to which the notice or report was given, the Superintendent shall promptly so notify the intake officer of the juvenile court in which the petition was filed or the Director of the Department which sent the report and may forward the notice of petition to the Superintendent of the division in which the juvenile is enrolled, if known;
- prior to receipt of the notice of disposition in accordance with Va. Code § 16.1-305.1, the Superintendent may disclose the fact of the filing of the petition and the nature of the offense to the principal of the school in which the student is enrolled if the Superintendent believes that disclosure to school personnel is necessary to ensure the physical safety of the student, other students or school personnel within the division. The principal may further disseminate the information regarding a petition, after the student has been taken into custody whether or not the child has been released, only to those students and school personnel having direct contact with the student and need of the information to ensure physical safety or the appropriate educational placement or other education services.

If the Superintendent believes that disclosure of information regarding a report received pursuant to Va. Code § 66.25.2:1 to school personnel is necessary to ensure the physical safety of the student, other students, or school personnel, he may disclose the

- the right to inspect and review the student's educational records and the procedure for exercising this right;
- the right to request amendment of the student's educational records that the parent believes to be inaccurate, misleading or in violation of the student's privacy rights and the procedures for exercising this right;

### PROCEDURE TO INSPECT EDUCATION RECORDS

Parents of students or eligible students may inspect and review the student's education records within a reasonable period of time, which shall not exceed 45 days, and before any meeting regarding an IEP or hearing involving a student with a disability. Further, parents shall have the right to a response from the school division to reasonable requests for explanations and interpretations of the education record.

Parents or eligible students should submit to the student's school principal a written request which identifies as precisely as possible the record or records he or she wishes to inspect. The principal (or appropriate school official) will make the needed arrangements for access as promptly as possible and notify the parent or eligible student of the time and place where the records may be inspected. When a record contains information about students other than a parent's child or the eligible student, the parent may not inspect and review the portion of the record which pertains to other students.

### COPIES OF EDUCATION RECORDS

Although the Charlottesville City Schools cannot deny parents access to their children's education records, the Charlottesville City Schools will not provide a parent or eligible student a copy of the student's education record unless failure to do so would effectively prevent the parent or eligible student the right to inspect and review the records.

### FEES FOR COPIES OF RECORDS

The fee for copies will be .10 per page. The actual cost of copying and postage will be charged. The Charlottesville City Schools shall not charge for search and retrieval of the records. The Charlottesville City Public Schools shall not charge a fee for copying an Individualized Education Plan (IEP) or for a copy of the verbatim record of hearing conducted in accordance with the State Board of Education's Regulations Governing Special Education Programs for Children with Disabilities in Virginia.

2. To officials of another school, school system, or institution of postsecondary education where the student seeks or intends to enroll or where the student is already enrolled so long as the disclosure is for purposes related to the student's enrollment or transfer.
3. To certain officials of the U. S. Department of Education, the United States Attorney General, the Comptroller General, and state educational authorities, in connection with certain state or federally supported education programs and in accordance with applicable federal regulations.
4. In connection with a student's request for or receipt of financial aid as necessary to determine the eligibility, amount, or conditions of the financial aid, or to enforce the terms and conditions of the aid.
5. For the purposes of furthering the ability of the juvenile justice system to effectively serve the pupil prior to adjudication. The principal or designee may disclose identifying information from a pupil's scholastic record to state or local law-enforcement or correctional personnel, including a law-enforcement officer, probation officer, parole officer or administrator, or a member of parole board, seeking information in the course of his duties; an officer or employee of a county or city agency responsible for protective services to children as a pupil referred to that agency as a minor requiring investigation or supervision by that agency; attorneys for the Commonwealth, court services units, juvenile detention centers or group homes, mental and medical health agencies, state and local children and family service agencies and the Department of Juvenile Justice and to the staff of such agencies. Prior to the disclosure of any such scholastic records, the persons to whom the records are to be disclosed shall certify in writing to the principal or designee that the information will not be disclosed to any other party, except as provided under state law, without the prior written consent of the parent of the pupil or by such pupil if the pupil is eighteen years of age or older.

  - requires the organization to use personally identifiable information from educational records only to meet the purpose or purposes of the study stated in the written agreement;
  - requires the organization to conduct the study in a manner that does not permit personal identification of parents and students by anyone other than representatives of the organization with legitimate interests; and
  - requires the organization to destroy all personally identifiable information when the information is no longer needed for the purposes for which the study was conducted and specifies the time period in which the information must be destroyed.
7. To accrediting organizations to carry out their functions.
  8. To parents of an eligible student who claim the student as a dependent for income tax purposes.
  9. To the entities or persons designated in judicial orders or subpoenas as specified in FERPA.

    - the articulable and significant threat to the health or safety of a student or other individuals that formed the basis for the disclosure; and
    - the parties to whom the division disclosed the information.
  11. Directory information so designated by the school division.

U.S.C. § 14071 and applicable federal guidelines.

The school division will use reasonable methods to identify and authenticate the identity of parents, students, school officials, and any other parties to whom it discloses personally identifiable information from education records.

## UNAUTHORIZED DISCLOSURE OF ELECTRONIC RECORDS

In cases in which electronic records containing personally identifiable information are reasonably believed to have been disclosed in violation of federal or state law applicable to such information, the school division shall notify, as soon as practicable, the parent of any student affected by such disclosure, except as otherwise provided in Va. Such notification shall include the (i) date, estimated date, or date range of the disclosure; (ii) type of information that was or is reasonably believed to have been disclosed; and (iii) remedial measures taken or planned in response to the disclosure.

## DISCLOSURE TO FEDERAL AGENCIES

Notwithstanding any other provision of law or policy, no member or employee of the Charlottesville City School Board will transmit personally identifiable information, as that term is defined in FERPA and related regulations, from a student's record to a federal government agency or an authorized representative of such agency except as required by federal law or regulation.

## DISCLOSURE OF INFORMATION RELATING TO HOME INSTRUCTED STUDENTS

Neither the Superintendent nor the School Board shall disclose to the Department of Education or any other person or entity outside of the local school division information that is provided by a parent or student to satisfy the requirements of Policy LBD Home Instruction or subdivision B.1 of Va. Code § 22.1-254. However, the Superintendent or School Board may disclose, with the written consent of a student's parent, such information to the extent provided by the parent's consent. Nothing in this policy prohibits the Superintendent from notifying the Superintendent of Public Instruction of the number of students in the school division receiving home instruction.

## AUDIT OR EVALUATION OF EDUCATION PROGRAMS

Authorized representatives of the Comptroller General of the United States, the Attorney General of the United States, the federal Secretary of Education, and state and local educational authorities may have access to education records in connection with an audit, or evaluation of federal or state-supported educational programs, or for the enforcement of or compliance with federal legal requirements that relate to those programs.

Any authorized representative other than an employee must be designated by a written agreement which

- designates the individual or entity as an authorized representative;
- specifies the personally identifiable information to be disclosed, specifies that the purposes for which the personally identifiable information is disclosed to the authorized representative is to carry out an audit or evaluation of federal or state-supported education programs, or to enforce or comply with federal legal requirements that relate to those programs; and specifies a description of the activity with sufficient specificity to make clear that the work falls within the exception of 34 CFR § 99.31 (a)(3) including a description of how the personally identifiable information will be used;
- requires the authorized representative to destroy personally identifiable information when the information is no longer needed for the purpose specified;
- specifies the time period in which the information must be destroyed; and
- established policies and procedures, consistent with FERPA and other federal and state confidentiality and privacy provisions, to protect personally identifiable information from further disclosure and unauthorized representatives with legitimate interests in the audit or evaluation of a federal or state-supported education program or for compliance or enforcement of federal legal requirements related to such programs.

#### MILITARY RECRUITERS AND INSTITUTIONS OF HIGHER LEARNING

The Charlottesville City Schools provides, on request made by military recruiters or an institution of higher education, access to secondary school students' names, addresses and telephone listings unless a parent or eligible student has submitted a written request that the student's name, address and telephone listing not be released without the prior written consent of the parent or eligible student.

The school division notifies parents of the option to make a request and complies with any request.

The school division provides military recruiters the same access to secondary school students as is provided generally to post-secondary educational institutions or to prospective employers of those students.

#### RECORD OF DISCLOSURE

The Charlottesville City Schools shall maintain a record, kept with the education records of each student, indicating all individuals (except school officials who have a legitimate

educational interest in the records), agencies, or organizations which request or obtain access to a student's education records. The records will indicate specifically the legitimate interest the party had in obtaining the information. The record of access will be available only to parents, to the school official and his assistants who are responsible for the custody of such records, and to persons or organizations which audit the operation of the system.

The requirements related to records of requests for disclosure stated above do not apply to disclosures made pursuant to an ex parte order issued by a court at the request of the United States Attorney General (or any Federal officer or employee, in a position not lower than an Assistant Attorney General, designated by the Attorney General) seeking to collect education records relevant to an authorized investigation or prosecution of international terrorism as defined in 18 U.S.C. § 2331 or other acts listed in 18 U.S.C. § 2332 b(g)(5)(B).

Personal information will only be transferred to a third party on the condition that such party will not permit any other party to have access to such information without the written consent of the parents of the student. If a third party permits access to information, or fails to destroy information, the division will not permit access to information from education records to that third party for a period of at least five years.

#### DIRECTORY INFORMATION

The Charlottesville City School Board shall notify parents and eligible students at the beginning of each school year what information, if any, it has designated as directory information, the right to refuse to let the division designate any or all of such information as directory information and the period of time to notify the division, in writing, that he or she does not want any or all of those types of information designated as directory information. The notice may specify that disclosure of directory information will be limited to specific parties, for specific purposes, or both. If the School Board specifies that disclosure of directory information will be so limited, the disclosure of directory information will be limited to those specified in the public notice.

No school discloses the address, telephone number, or email address of a student pursuant to 34 C.F.R. § 99.31(a)(11) or the Virginia Freedom of Information Act unless the parent or eligible student affirmatively consents in writing to such disclosure.

Parents and eligible students may not use the right to opt out of directory information disclosures to 1) prevent disclosure of the student's name, identifier, or institutional email address in a class in which the student is enrolled; or 2) prevent an educational agency or institution from requiring the student to wear, or display publicly, or to disclose a student ID card or badge that exhibits information designated as directory information and that has been properly designated as directory information. Directory information is defined as follows:

#### CORRECTION OF EDUCATION RECORDS

The procedures for the amendment of records that a parent or eligible student believes to be inaccurate are as follows:

1. Parents or the eligible student must request in writing that the Charlottesville City Schools amend a record. In so doing, they should identify the part of the record they want changed and specify why they believe it is inaccurate, misleading or in violation of the student's privacy or other rights.
2. Charlottesville City Schools shall decide whether to amend the record in accordance with the request within a reasonable period of time. If it decides not to comply, the school division shall notify the parents or eligible student of the decision and advise them of their right to a hearing to challenge the information believed to be inaccurate, misleading, or in violation of the student's rights.
3. Upon request, Charlottesville Schools shall arrange for a hearing and notify the parents or eligible student, reasonably in advance, of the date, place, and time of the hearing. The hearing shall be held within a reasonable period of time after the request.
4. The parent or eligible student may, at his or her own expense, be assisted or be represented by one or more individuals of his or her own choice, including an attorney.
5. The hearing shall be conducted by a hearing officer who is a disinterested party; however, the hearing officer may be an official of the school division (Director of Student Services and Achievement). The parents or eligible student shall be afforded

a full and fair opportunity to present evidence relevant to the issues raised in the original request to amend the student's education records in accordance with FERPA.

6. Charlottesville City Schools shall prepare a written decision which will include a summary of the evidence presented and the reasons for the decision within a reasonable period of time after the hearing. The decision will be based solely on the evidence presented at the hearing.
7. If Charlottesville City Schools decides that the information is inaccurate, misleading, or in violation of the student's right of privacy, it shall amend (including expungement) the record and notify the parents or eligible student, in writing, that the record has been amended.
8. If Charlottesville City Schools decides that the challenged information is not inaccurate, misleading, or in violation of the student's right of privacy, it will notify the parents or eligible student that they have a right to place in the record a statement commenting on the challenged information and/or a statement setting forth reasons for disagreeing with the decision. The statement will be maintained as part of the student's education records as long as the contested portion is maintained and disclosed whenever the school division discloses the portion of the record to which the statement relates.

The Charlottesville City Schools shall comply with the confidentiality requirements of Section 32.136.1 of the Code of Virginia, 1950, as amended, providing for the confidentiality of records related to any test for Human Immunodeficiency Virus (HIV). In addition, the school division shall maintain confidentiality of drug and alcohol treatment records as required by federal and state law.
