When can I use my Flex Facts debit card?

The easiest way to use your funds is by using your Flex Facts debit card at the point of service. The card can be used at any medical or dependent care facility that accepts MasterCard. You can also use your card at most pharmacies. When you use your card funds are automatically deducted from your account to pay for eligible expenses.

Please note that you should retain all of your receipts. The IRS requires that we request copies of receipts for certain claims. If you are required to send in receipts an e-mail or letter will be sent to you the business day after you use your card.

If you are not able to use your card at the point of service you can file a claim online, by fax or by mail.

When will I receive the claim reimbursement?

Manual claims are reimbursed via manual check or direct deposit. It generally takes 7-10 business days from the date the claim is processed, for the check to be received.

To speed up the reimbursement process, you can sign up for direct deposit. Funds are generally deposited into your bank account within 3-5 business days, from the date the claim is processed.

How long do I have to submit claims?

Most plans allow 90 days after plan year end, to submit claims for expenses incurred during the plan year.

Accounts/cards will be deactivated upon termination of any kind. Employees generally have 90 days from date of termination to submit claims for expenses incurred during active participation in the plan.

Refer to your Plan Documents for specific plan details.
